### GEORGE ARLISS IN "DISRAELI"

At the Playhouse Rutland Friday, May 8th-Special Train.

The attraction at the Rutland Playhouse will be George Arliss and his company in Louis N. Parker's comedy "Disraeli", Friday, May 8th.

The great English Prime Minister was a peculiar interesting subject for stage portraiture, being one of the most remarkable figures in Europe. As a statesman his political achievements secured him the premiership while his literary gifts won him a place in the list of English men of letters and his wit secured for him the entree to the most brilliant social circles of the old world.

In writing "Disraeli" Mr. Parker was not blind to the romantic possibilities of his subject, and he displays Disraeli not only as a statesman of brilliant achievements but also as a sort of good fairy to a pair of young lovers who are very near to astrangement over temperamental difficulties. The motives of the story is Disraeli's purchase of the Suez Canal for Great Britain and the manner in which he outwitted the crafty plans of the Russian government.

Mr. Arliss' company includes Gladys Wynne, Florence Arliss, Margaret Dale, Leila Repton, Lilla Campbell, Vincent Sternroyd, Charles Harbury, Arthur Eldred and St. Clair Bayfield. A special train will run from Middlebury and return, seats selling now.-adv.
